Retrospective **PeriCALM Patterns™**
Installation Guide
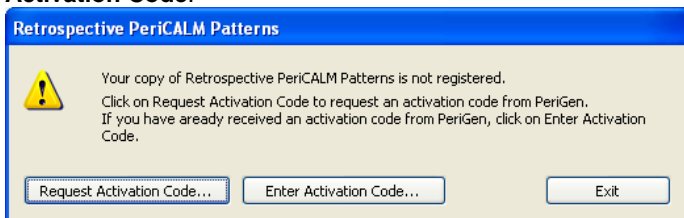

- Double-click on the **Retrospective PeriCALM Patterns Setup** icon to install the application.

Retrospective
PeriCALM
Patterns 1.0
Setup

- Once the installation is completed, click **Finish** and Retrospective PeriCALM Patterns will launch automatically. Alternately, you can launch the application from the desktop icon shown below, or by clicking on **Start → All Programs → Retrospective PeriCALM Patterns**.

Retrospective
PeriCALM
Patterns

- Before using Retrospective PeriCALM Patterns for the first time, you must activate the application. Click on **Request Activation Code**.

- Fill in the information requested and then click **Send**. This sends your information to PeriGen via email. Alternately, you can manually copy and paste the information by clicking **Copy to Clipboard** and pasting the contents into an email that should be sent to patterns@perigen.com.

- Within a short period, PeriGen will email you an activation code which is specific for your computer. Open Retrospective PeriCALM Patterns once again, this time clicking on **Enter Activation Code**. Enter your activation code and click **OK**.

- Retrospective PeriCALM Patterns in now activated and will remain activated for the period of time agreed on between you and your PeriGen sales rep.

- To learn more about *Retrospective PeriCALM Patterns* or to learn more about the real-time version of this application **PeriCALM Patterns 1.14**, click on the About icon, or contact us at sales@perigen.com or 1-877-263-2256.
